## A. B. Seam 19.5"

When it comes to paint finishes, A.B. Martin uses the best paints available. Fluropon is a full strength 70% Kynar 500 or Hylar 5000 base coating. It incorporates extremely durable pigmentation. It is manufactured by the Valspar Corporation.

valspar

### Fluropon offers the following:

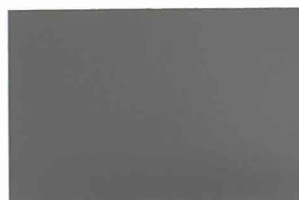

- \* Unsurpassed resistance to chalking and fading.
- \* Ease of cleanup because of it's ability to fight off dirt accumulation. It's molecular structure is similar to Teflon.
- \* Resistance to air borne chemicals, acid rain and most of the cleaning solvents used to remove graffiti or other types of coating abuse.
- \* Excellent flexibility and formability.
